

WET & DRY VACUUM

30L, 60L, 90L

CT30

WET & DRY VACUUM

KEY FEATURES

- Wet & dry vacuum functionality
- High-capacity collection tank
- Powerful suction performance
- Durable commercial-grade construction
- Heavy-duty wheel system
- Ergonomic hose and wand assembly
- Easy manoeuvrability
- Simple tank emptying and maintenance

APPLICATIONS

- Commercial buildings
- Warehouses & distribution centres
- Workshops & manufacturing facilities
- Construction sites
- Schools & educational facilities
- Healthcare & aged care environments
- Hospitality venues
- Property maintenance & facility management

MODEL NO.	CT-WDV30
WASTE TANK CAPACITY	30L
VOLTAGE	220V ~ 240V
POWER	1000 W
AIRFLOW	53 L/S
VACUUM	230 mbar
ACCESSORIES	40 MM
COOLING MODE	CYCLE
WEIGHT	12.2 KG
DIMENSIONS	38 X 37 X 76 CM
EXTENSION CORD	7 M

STANDARD ATTACHMENTS

WET VAC HEAD

DRY VAC HEAD

FLAT LANCE

ROUND BRUSH

METAL WAND

COMPLETE HOSE

CT60

WET & DRY VACUUM

KEY FEATURES

- Twin Motor
- Wet & dry vacuum functionality
- High-capacity collection tank
- Powerful suction performance
- Durable commercial-grade construction
- Heavy-duty wheel system
- Ergonomic hose and wand assembly
- Easy manoeuvrability
- Simple tank emptying and maintenance

APPLICATIONS

- Commercial buildings
- Warehouses & distribution centres
- Workshops & manufacturing facilities
- Construction sites
- Schools & educational facilities
- Healthcare & aged care environments
- Hospitality venues
- Property maintenance & facility management

MODEL NO.	CT-WDV60
WASTE TANK CAPACITY	60L
VOLTAGE	220V ~ 240V
POWER	2000 W
AIRFLOW	106 L/S
VACUUM	250 mbar
ACCESSORIES	40 MM
COOLING MODE	CYCLE
WEIGHT	24.5 KG
DIMENSIONS	55 X 50 X 95 CM
EXTENSION CORD	8 M

STANDARD ATTACHMENTS

WET VAC HEAD

DRY VAC HEAD

FLAT LANCE

ROUND BRUSH

METAL WAND

COMPLETE HOSE

CT90

WET & DRY VACUUM

KEY FEATURES

- Triple Motor
- Wet & dry vacuum functionality
- High-capacity collection tank
- Powerful suction performance
- Durable commercial-grade construction
- Heavy-duty wheel system
- Ergonomic hose and wand assembly
- Easy manoeuvrability
- Simple tank emptying and maintenance

APPLICATIONS

- Commercial buildings
- Warehouses & distribution centres
- Workshops & manufacturing facilities
- Construction sites
- Schools & educational facilities
- Healthcare & aged care environments
- Hospitality venues
- Property maintenance & facility management

MODEL NO.	CT-WDV90
WASTE TANK CAPACITY	90L
VOLTAGE	220V ~ 240V
POWER	2000 W
AIRFLOW	106 L/S
VACUUM	250 mbar
ACCESSORIES	40 MM
COOLING MODE	CYCLE
WEIGHT	27.2 KG
DIMENSIONS	53 X 46 X 100 CM
EXTENSION CORD	8 M

STANDARD ATTACHMENTS
