Magic Carpet Non-Rinse Floor Cleaner Concentrate

Natural Enzyme Technology

Introduction

Introducing Magic Carpet Carpet and Upholstery Spotter, the revolutionary enzyme-based cleaner that will transform the way you tackle tough stains and grime on your carpets and upholstery. Designed with cutting-edge enzymatic technology, this powerful formula delivers exceptional cleaning results, making it an essential addition to your cleaning arsenal

Superior Stain Removal: Magic Carpet harnesses the power of enzymes to break down and dissolve stubborn stains, such as coffee spills, wine marks, pet accidents, and even tough-to-remove grease and oil stains. Say goodbye to unsightly blemishes and hello to spotlessly clean surfaces.

Odour Elimination: Unlike traditional cleaners that merely mask odours, Magic Carpet enzymatic action actively neutralizes and eliminates foul smells at the source. Bid farewell to lingering pet odours, food spills, and other unpleasant scents, leaving your carpets and upholstery smelling fresh and inviting.

Safe and Non-Toxic: We understand the importance of maintaining a healthy environment for you and your loved ones. Magic Carpet is formulated without harsh chemicals and toxins, making it safe for use around children and pets. Rest assured that you can enjoy a sparkling clean home without compromising on safety.

Gentle on Fabrics: The enzyme-based formula of Magic Carpet is specially designed to be gentle on a wide range of fabrics, including delicate upholstery materials and carpets. Experience effective cleaning without worrying about damaging your precious belongings.

Deep Penetration: Thanks to its enzymatic action, Magic Carpet penetrates deep into the fibers of your carpets and upholstery, ensuring a thorough and comprehensive cleaning process. It reaches those hidden stains and dirt particles, resulting in a noticeably revitalized and refreshed appearance.

Multipurpose Use: Magic Carpet versatility extends beyond just carpets and upholstery. This powerful cleaner can also be used on rugs, curtains, car interiors, and other fabric surfaces, providing a comprehensive cleaning solution for your entire home.

Easy Application: Magic Carpet and Upholstery Spotter comes in a convenient spray bottle, allowing for easy and targeted application. Simply spray, let the enzymes do their magic, and wipe away the stains effortlessly.

Experience the next level of cleaning with **Magic Carpet Carpet and Upholstery Spotter**. Embrace the power of enzymes and achieve immaculate cleanliness that will impress and delight you. Make tough stains and odours a thing of the past with Magic Carpet, your trusted partner in creating a cleaner, fresher, and more inviting home environment.

Typical Applications

- Home Carpet and Upholstery Cleaning
- Office and Commercial Spaces
- Automotive Interiors
- Rugs and Curtains
- Pet Care Facilities

Advantages

- **Enzyme-based Formula:** Magic Carpet incorporates a proprietary blend of enzymatic agents that effectively break down and digest organic stains and odors, providing thorough and long-lasting results.
- **Deep Penetration:** The enzymatic action enables Magic Carpet to penetrate deep into carpet fibers and upholstery materials, ensuring complete stain and odor removal even from hard-to-reach areas.
- **Non-Toxic and Environmentally Friendly:** Magic Carpet is free from harmful chemicals, making it safe for both users and the environment. The biodegradable formula ensures responsible disposal and minimal environmental impact.
- **Versatile Application:** This product is designed to work on a wide range of fabric surfaces, including carpets, upholstery, rugs, curtains, and car interiors, offering versatility and convenience for various cleaning tasks.
- **Gentle on Fabrics:** Magic Carpets gentle formulation prevents damage to delicate fabrics, preserving the appearance and texture of your carpets and upholstery.

ENZYMEL B

GREEN & CLEAN.

Technical Data sheet
